

Open your heart to our community's homeless cats

A 501(c)3 nonprofit organization. We are dedicated to the care of feral cats, and members of our group work on a volunteer basis to feed, water, and provide medical care for hundreds of feral cats in Knoxville and surrounding areas. We participate in a trap/neuter/return program in an effort to control the feral cat population. The TNR program is where feral cats are humanely trapped by volunteers, taken to a clinic to be spayed or neutered and vaccinated, and returned to their colony where they are most comfortable. We are not an adoption agency nor do we take in unwanted pets. *Our organization only holds* adoption fairs in order to find homes for socialized kittens born into feral colonies and to re-home stray pets that are *abandoned in our colonies!* We are funded solely from donations and fundraisers with 100% of money raised going directly to controlling and maintaining the feral cat population.

What we can do: mentor you with your TNR (trap-neuter-release) project by teaching you how to use the traps (including care of the cats while in the traps) and loaning you traps to get the cats to the vet or a low cost spay/neuter clinic.

What we cannot do: remove feral cats from your neighborhood, place of business, etc., trap and transport the cats for you; loan traps for you to take cats to any animal service for euthanasia.
